Subject: Your view of demand requirements

Mr. Gallagher -

Thank you for your letter, which I saw after sending my own letter asking about your intent to respond.

Please tell me specifically what you consider to be deficient about the form and manner of the demand, so that I can make any appropriate revisions. Regarding the purpose of the demand, I will of course also welcome your explanation of what you consider to be proper or improper.

Subject: Information about director responses to Forum questions

Mr. Carlson -

As indicated in the attached letter, I will welcome your suggestions to provide the information required by shareholders as efficiently as possible.
